ARTWORK

- Artwork to be supplied as a **Black and White PDF**
- Vector File Artworks are acceptable with all fonts **OUTLINED**.
(check your EPS, Ai, PDF are NOT Flattened or Bitmapped images)

All art files are to be supplied in CMYK colour.

Plate size is important so include a keyline to show (this is not the artboard size).

No images with graduations or vignettes.

Supplied artworks must be editable and not flattened.

We cannot use Jpg's

Common types of vector programs include:

- Adobe Illustrator,
- Macromedia Freehand,
- Corel Draw and EPS files.

File extensions:

AI, .EPS, .SVG, .DRW,

(some .pdf can also be vector files if created from the file types mentioned before).

If you are unable to supply a PDF as above and we are required to change, alter or recreate the artwork, then we may charge an Art fee of \$75.00/hour.

Plate Size: 100X240mm
